

## BOARD OF DIRECTORS

Meredith Matthews, City of Arcata,  
Elaine Hogan, City of Blue Lake, **Vice Chair**  
Leslie Castellano, City of Eureka, **Chair**  
Robin Smith, City of Ferndale  
Steve Madrone, County of Humboldt  
Frank Wilson, City of Rio Dell

### Meeting Agenda

**Tuesday, February 22, 2022 at 5:30 PM**

**Eureka City Council Chambers – PUBLIC ADVISORY: IN RESPONSE TO COVID-19,  
THE EUREKA CITY COUNCIL IS NOT AVAILABLE  
OR OPEN TO THE PUBLIC**

#### COVID -19 NOTICE

*Consistent with Executive Orders N-25-20 and N-29-20 from the Executive Department of the State of California and the Humboldt County Public Health's Officer's March 30, 2020 "Shelter In Place Order", HWMA's regular meeting location at Eureka City Hall will not be physically open or available to the public. HWMA Board members and staff will be teleconferencing into the meeting via Zoom Video.*

### How to Observe the Meeting

To maximize public safety while still maintaining transparency and public access, members of the public can observe the meeting on Access Humboldt's YouTube Channel at [www.youtube.com/c/accesshumboldt/live](http://www.youtube.com/c/accesshumboldt/live) Members of the public may also join the Zoom meeting at <https://us06web.zoom.us/j/87272840425> .

### How to Submit Public Comment

Members of the public may provide public comment before and during the meeting by sending comments to the Administrative Services Director at [board@hwma.net](mailto:board@hwma.net). Such email comments must identify the agenda item number in the subject line of the email. The comments will be read into the records, with a maximum allowance of three minutes (approximately 500 words) per individual comment, subject to the Chair's discretion. If a comment is received after the agenda item is heard, but before the close of the meeting, the comment will still be included as part of the written record of the meeting, but will not be read into the record during the meeting.

***Copies Available:** Copies of the agenda materials are available electronically via the internet at [www.hwma.net](http://www.hwma.net), through individual HWMA member agencies or by calling HWMA at 707-268-8680. There may be a charge for copies.*

***Accessibility:** Accommodations and access to HWMA meetings for people with special needs must be requested in advance of the meeting at 707 268-8680 or emailing [board@hwma.net](mailto:board@hwma.net) .~~(The Eureka City Council Chamber room is ADA accessible.) This agenda and other materials are available in alternative formats upon request.~~*

## 1. Call to Order and Roll Call at 5:30 PM

## 2. Consent Calendar

All matters listed under the Consent Calendar are considered to be routine by the HWMA Board and will be enacted upon by one motion, unless a specific request for review is made by a Board Member or a member of the public. The Consent Calendar will not be read. There will be no separate discussion of these items unless pulled for discussion.

- a. Approve Minutes from the January 13, 2022 HWMA Board of Directors Meeting
- b. Approve Resolution 2022-05 “A Resolution Of The Humboldt Waste Management Authority Authorizing Remote Teleconference Meetings Of The Legislative Bodies Of Humboldt Waste Management Authority Pursuant To Brown Act Provisions Due To A State Of Emergency”

**3. Oral and Written Communications**

This time is provided for people to address the Board or to submit written communications concerning matters not on this agenda. Board Members may respond to statements, but any request that requires Board action will be referred to staff for review. Reasonable time limits may be imposed on both the total amount of time allocated for this item, and on the time permitted to each individual speaker. Such time allotment or portion thereof shall not be transferred to other speakers.

**4. Receive SB 1383 Organic Food Waste Presentation From Edgar & Associates and give direction to for path forward.**

**5. Receive review of Eureka Recycling Center and Hambro CRV status from Executive Director and give direction for path forward.**

**6. Adjourn**

## BOARD OF DIRECTORS

Meredith Matthews, City of Arcata,  
Elaine Hogan, City of Blue Lake, **Vice Chair**  
Leslie Castellano, City of Eureka, **Chair**  
Robin Smith, City of Ferndale  
Rex Bohn, County of Humboldt  
Frank Wilson, City of Rio Dell

## MINUTES

**Thursday, January 13, 2022 at 5:30 PM**

**Zoom Video Conference Meeting**

Present: Leslie Castellano, Elaine Hogan, Steve Madrone, Merideth Matthews, Frank Wilson  
Absent: Robin Smith  
Staff: Peter Fuller, Eric Keller-Heckman, Tracy Taylor, Tony Heacock, Nancy Diamond,  
Loral Uber

### 1. Call to Order and Roll Call at 5:30 PM

**Chairperson Castellano** called the meeting to order at 5:30 PM. A quorum was present and acting.

### 2. Consent Calendar

- a. Approve Minutes from the November 11, 2021 HWMA Board of Directors Meeting
- b. Fiscal Year 2021-22 Bank Balances and Check Registers for October & December 2021
- c. Approve Resolution 2022-04 “A Resolution Of The Humboldt Waste Management Authority Authorizing Remote Teleconference Meetings Of The Legislative Bodies Of Humboldt Waste Management Authority Pursuant To Brown Act Provisions Due To A State Of Emergency”
- d. Approve Amendment No. 1 to Extend Agreement Between HWMA and the City of Arcata for Green-Waste Drop Off & Processing Services.

**Chairperson Castellano** opened the floor to public comment regarding the Consent Calendar. No comment was received.

**Chairperson Castellano** closed the floor to public comment.

**Motion:** **Director Madrone** moved and **Director Matthews** seconded the motion to approve the Consent Calendar.

**Action:** Approve the Motion made by **Director Madrone** and seconded by **Director Matthews**

**Ayes:** Unanimous

**Noes:** None

**Absent:** Robin Smith

### 3. Oral and Written Communications

**Chairperson Castellano** opened the floor to public comment regarding items not on the agenda. No comment was received.

**Chairperson Castellano** closed the floor to public comment.

### 4. Receive FY 21 Audit Update From Jamie Corsetti, C.P.A.

**Jamie Corsetti** gave a brief verbal presentation on audit progress to date and updates to Authority finance systems.

- 5. Receive Presentation on Commodities Market & Shipping from Bo Duong, Recology Commodities Marketing Manager**  
Bo Duong gave a presentation on current challenges in the international recycling commodities market that may affect authority and Recology operations.
- 6. Standing Item: SB 1383 Update**  
Evan Edgar gave a brief verbal presentation on progress and upcoming deadlines for Member Agencies related to SB 1383.
- 7. Standing Item: Board Member Reports**  
**Chairperson Castellano** told the board about an upcoming community cleanup event in Eureka.
- 8. Standing Item: Executive Director's Report**  
**Executive Director Fuller** introduced himself to the board and gave a brief report on operational priorities for the Authority.
- 9. Chairperson Castellano** adjourned the meeting at 6:50 PM.

**RESOLUTION 2022-05**

**A RESOLUTION OF THE  
HUMBOLDT WASTE MANAGEMENT AUTHORITY  
RE-AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE  
LEGISLATIVE BODIES OF HUMBOLDT WASTE MANAGEMENT AUTHORITY  
FOR THE PERIOD OF FEBRUARY 15, 2022 THROUGH MARCH 17, 2022 PURSUANT  
TO BROWN ACT PROVISIONS DUE TO A STATE OF EMERGENCY**

**WHEREAS**, the Humboldt Waste Management Authority (HWMA) is committed to preserving and nurturing public access and participation in meetings of the Board of Directors and other committee meetings subject to the Ralph M. Brown Act (“Brown Act”); and

**WHEREAS**, the Brown Act, Government Code section 54953(e), makes provisions for remote teleconferencing participation in meetings without compliance with the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

**WHEREAS**, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code section 8558; and

**WHEREAS**, on March 4, 2020, the Governor proclaimed pursuant to his authority under the California Emergency Services Act, California Government Code section 8625, that a state of emergency exists with regard to a novel coronavirus (a disease now known as COVID-19) a condition which persists in Humboldt County; and

**WHEREAS**, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021 did not include any change to the proclaimed state of emergency or the powers exercised thereunder; and

**WHEREAS**, as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to California Government Code section 8629 to lift the state of emergency either by proclamation or by concurrent resolution in the state Legislature; and

**WHEREAS**, the continued local rates of transmission of the virus and variants causing COVID-19 are such that meeting in person could present imminent risks to the health or safety of attendees of HWMA governing Board and committee public meetings if teleconference options are not included as an option for public participation; and

**WHEREAS**, the Centers for Disease Control and Prevention continue to list Humboldt County as an area of high transmission of COVID-19, and Humboldt County Public Health Officer Dr. Ian Hoffman issued a recommendation on September 29, 2021 to continue to practice physical distancing at meetings of legislative bodies and stated that virtual meetings do the most to reduce COVID-19 risk; and

**WHEREAS**, the Board of Directors does hereby find that the COVID-19 public health emergency and increased risk of infection has caused, and will continue to cause, conditions of peril to the safety of persons within Humboldt County that are likely to be beyond the control of services, personnel, equipment, and facilities of HWMA, and desires to ratify the proclamation of state of emergency by the Governor of the State of California; and

**WHEREAS**, as a consequence of the emergency, the Board of Directors does hereby continue to find that the legislative bodies of HWMA shall conduct their meetings without compliance with paragraph (3) of subdivision (b) of Government Code section 54953, as authorized by subdivision (e) of section 54953, and that such legislative bodies shall comply with the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of subdivision (e) of section 54953; and

**WHEREAS**, public access and participation in meetings of HWMA's legislative bodies shall be provided via online video conferencing software which shall also allow for public participation and real-time public comment opportunity by telephone.

**NOW, THEREFORE, BE IT RESOLVED** that the Humboldt Waste Management Authority Board of Directors find that:

Section 1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

Section 2. Proclamation of Imminent Risk of In-Person Meetings. The Board hereby proclaims that as Humboldt County remains an area of high transmission of COVID-19 as determined by the Centers for Disease Control and Prevention, that meeting in-person presents imminent risks to the health or safety of attendees.

Section 3. Ratification of Governor's Proclamation of a State of Emergency. The Board hereby ratifies the Governor of the State of California's Proclamation of State of Emergency, effective as of its issuance date of March 4, 2020.

Section 4. Remote Teleconference Meetings. The staff and legislative bodies of Humboldt Waste Management Authority, including but not limited to the Board of Directors and its subcommittees, and the Executive Advisory Committee and its subcommittees, are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act.

Section 5. Effective Date of Resolution. This Resolution shall take effect immediately upon its adoption and shall be effective for 30 days or until this Resolution is extended by a majority vote of the Board of Directors in accordance with Section 6 of this Resolution.

Section 6. Extension by Motion. The Board of Directors may extend the application of this Resolution by motion and majority vote by up to 30 days at a time, provided that it makes all necessary findings consistent with and pursuant to the requirements of Section 54953(e)(3).

***PASSED AND ADOPTED*** by the Board of Directors of the Humboldt Waste Management Authority this 22nd day of February 2022, by the following vote:

Peter Fuller, HWMA Clerk of the Board

*Staff Report*

**DATE:** February 15, 2022

For Meeting on: February 22, 2022

**FROM:** Peter Fuller, Executive Director

**SUBJECT:** Item 4  
Organic Processing Options at the Eureka Recycling Center

**RECOMMENDED ACTION:** Roll Call Vote.

That the Board:

- 1) Receive information from Edgar & Associates about possible organic waste processing options related to SB 1383 compliance
- 2) Provide Direction to Staff as Appropriate

**Background**

SB 1383 was signed by Governor Jerry Brown on September 19, 2016. This legislation targets statewide emission reductions of Short Lived Climate Pollutants (SLCP), such as black carbon, methane and fluorinated gases. The methane reduction goal includes a 75% statewide reduction of organic waste sent to landfills. A key component that can directly affect methane reduction is the collection and processing of organic waste, in particular, food waste.

Edgar & Associates, Inc. is an environmental engineering firm based in Sacramento that specializes in solid waste management, recycling, composting and renewable energy, and that possesses a strong understanding of the local waste and recycling industry and infrastructure. Edgar & Associates is currently working with the City of Burbank, Yolo County and the City of Napa, and over the past several years has worked with approximately 25 other public entities on SB 1383 compliance.

At the November 11, 2021, HWMA meeting, at the recommendation of the Humboldt County Solid Waste Task Force, the Board authorized HWMA staff to execute an agreement between HWMA and Edgar & Associates for SB 1383 regional compliance services. Since that time, HWMA staff has worked daily with the Edgar team, and staffs from participating jurisdictions have begun implementing tasks related to the compliance.

**Recommendation to Board**

Staff recommends the Board receive information from Edgar & Associates, and then provide direction regarding possible organic waste processing options at the Eureka Recycling Center. Should the Board so direct, HWMA will return to the board at their regularly scheduled March meeting with a projected budget and critical pathway for organics collection and processing services at the ERC.

## **Discussion**

As of the drafting of this staff report, Humboldt County currently lacks a facility permitted to collect and process food waste. The permitting process required for new facilities to accept and process food waste can be a long and arduous one – it often takes several years to secure the final permit. The value of the Eureka Recycling Center is that it currently lies within the HWMA’s Full Solid Waste Facility Permit (SWFP). This means that instead of needing to go through an entire food waste facility permit process, the current SWFP can be routinely amended with insight and guidance from the Humboldt County Local Enforcement Agency. A site map of the Eureka Recycling Center is attached to this Staff Report for reference – see page three.

The 19,000 square foot Recycling Building could be repurposed into the Organics Processing Building with the following activities:

- **Residential Organics:** Receive and process residential co-collected organics (green waste with bagged food waste). Bagged food waste would be manually separated by staff of the co-collected material. The bagged food waste would be combined with the commercial food waste. The green waste would continue to be transferred to in County composters for local composting.
- **Commercial Organics:** Receive and process source-separated commercial organics with the bagged residential food waste being added to this stream. Even with best management practices and training, commercial organics still average 33% contamination that must be removed prior to composting or anaerobic digestion.

## **FISCAL IMPACT:**

No direct fiscal impact associated with preparation of this report.

## **ALTERNATIVES:**

Alternatively, the Board could:

1. Direct staff to investigate alternate site locations for organics sorting and processing in Humboldt County.
2. Direct staff to not pursue organics processing options.
3. Direct otherwise at its discretion

*Staff Report*

**DATE:** February 15, 2022

For Meeting Of: February 22, 2022

**FROM:** Peter Fuller, Executive Director

**SUBJECT:** Item 5  
Review of Eureka Recycling Center Operations and Management Direction regarding CRV Services

**RECOMMENDED ACTION:** Roll Call Vote.

That the Board:

- 1) Receive a review of the Eureka Recycling Center and prior Board action pertaining to CRV services there
- 2) Receive an update on the status of the Hambro Recycling Center's CRV efforts
- 3) Provide Direction to Staff as Appropriate.

**Summary**

Staff recommends the Board receive a review of the operations and management of the Eureka Recycling Center, and prior Board action regarding CRV (California Redemption Value) services there.

**Eureka Recycling Center Background**

Historically, HWMA's Eureka Recycling Center has handled two broad categories of recyclable materials dropped off by members of the public and businesses: (1) General recyclables and (2) California Redemption Value (CRV) beverage containers.

- *General recyclables* include source separated materials such as cardboard, glass, plastic, scrap metals, tin, as well as freon and non-freon appliances and electronic waste. HWMA employees dismantle appliances, prepare e-waste/tv items for shipping, bale recyclable materials and secure transportation to specified brokers from Portland to San Francisco.
- *CRV beverage containers.* CRV Buyback activities were initially suspended during the State's Shelter-In-Place orders disseminated through the Governor's Executive Order. Even though this Executive Order expired in late August 2020, three privately owned certified sites submitted their notice of decertification to CalRecycle at that time. This left the Eureka Recycling Center as the only CRV redemption center in the greater Humboldt region. HWMA resumed CRV redemption activities in early September but had to resuspend them due to traffic safety concerns. Then, following the direction given by the HWMA Board at the September 2020 meeting, HWMA filed a notice of decertification with CalRecycle. CRV services at the Eureka Recycling Center have been suspended since that time.

### **Hambro Recycling's CRV Efforts & Status**

At the May 13<sup>th</sup> 2021 Board meeting, representatives from Hambro outlined a strategy to secure a suitable site, submit certification for CRV redemption services, and perform CRV buy-back at a centralized location in Humboldt County. Hambro also determined that they would need as much material as possible for the necessary return on investment and requested that HWMA not resume CRV buyback services at the Eureka Recycling Center for an undetermined period of time. Hambro representatives stated they anticipated potentially opening by late August 2021, provided they were able to secure necessary site approval and CalRecycle certification.

At the July 8<sup>th</sup> 2021 HWMA Board meeting, the Board directed HWMA staff to suspend planning for resumption of CRV services for a minimum period of six months, in order to provide Hambro Recycling an opportunity to demonstrate site control, secure equipment and staff, obtain certification from CalRecycle, and initiate operations. If, after 6 months, Hambro had not opened a CRV services center, HWMA staff would return to the board with a status update and receive additional direction as needed.

In discussions with Hambro, they have indicated they may need up to an additional 6 months before they can bring their planned CRV center on line in Arcata.

The Board is asked to provide HWMA staff direction that either (1) HWMA continue to suspend pursuit of CRV services at The Eureka Recycling Center in support Hambro's efforts to open a dedicated CRV redemption site in Arcata, or (2) HWMA resume efforts to pursue CRV certification and operation at HSTS.

- Should the Board direct in favor of option (1), HWMA will continue business as usual and not bring CRV back to HSTS.
- Should the Board direct in favor of option (2), staff will return to the board at the regular meeting scheduled for March 10, 2022 with cost estimates and a timeline for reopening.

### **Executive Director's Recommendation to the Board**

I respectfully request the Board direct in favor of option (1) for the following reasons:

- The Eureka Recycling Center currently lacks the space necessary to facilitate daily operation or storage needs that are necessary to manage CRV Redemption services for the entire county at this time while also maintaining the current level of service to provide recyclable drop-off services for used appliances, recyclables and e-wastes.
- The COVID-19 pandemic continues to adversely affect staffing levels. Throughout the last year, COVID-related absences have curtailed staffing to bare operational minimums. Implementation of CRV buyback activities would necessitate adding several staff positions including at minimum unfreezing the two Material Diversion Technician positions. Additional requirements will be assessed and presented at the March meeting if necessary.
- CRV glass processing (crushing & storage) and transportation services would require either a certified contractor, for which costs would need to be budgeted, or for HWMA to certify as a CRV processor. Were HWMA to pursue processor certification, this would require on-site processing and storage space, bins, purchase of a truck and the hiring of a licensed truck driver.
