

2024 CRV REDEMPTION IN HUMBOLDT COUNTY

How is CRV Funded?

- The program is funded by redemption fees paid to CalRecycle by beverage distributors for each beverage container sold in the state.
- California Refund Value (CRV) fees get deposited in the CA Beverage Container Recycling Fund.
- This fund refunds recycling centers the CRV fee they pay to Californians who redeem their beverage containers.

Looking to redeem your CRV?

The CRV Beverage Container Recycling Program is managed by CalRecycle, a State of California department, while individual recycling centers are independently operated. Search for your local CRV Redemption Center on the CalRecycle website or review listings on the back of this flyer. Information correct as of 6/1/2024. Call to confirm location hours of operation and other details.
