#### **BOARD OF DIRECTORS**

Meredith Matthews, City of Arcata, Chair City of Blue Lake, Vice Chair Leslie Castellano, City of Eureka Randy Cady, City of Ferndale Michelle Bushnell, County of Humboldt Frank Wilson, City of Rio Dell

#### **HOW TO PARTICIPATE**

The public is invited to attend and participate in the HWMA Board of Directors meeting using any of the following methods.

#### 1. IN-PERSON

The public can attend and provide in-person comments during the meeting on regular agenda items and during Oral/Written Comment.

#### 2. REMOTE

As a courtesy, and technology permitting, members of the public may continue to observe and participate remotely through the Zoom platform. HWMA cannot guarantee that the public's access to teleconference technology will be uninterrupted, and technical difficulties may occur from time to time. In those instances, so long as there is a Board quorum and the public may still attend the meeting in person, the meeting will continue.

- a. Zoom <a href="https://us06web.zoom.us/j/87272840425">https://us06web.zoom.us/j/87272840425</a>
- b. Zoom Phone Numbers. +17207072699, Meeting ID: 87272840425

During the meeting, each period for public comment will be announced, and participants may use Zoom's "Raise Hand" feature to request to speak. If calling in via Zoom use \*9 to raise and lower your hand. The meeting host will call on you, by name or last four digits of your phone number and enable the microphone when it is your turn to speak. To ensure the orderly meeting conduct, providing your name is encouraged, but not required.

#### 3. EMAIL

The public may submit public comment via email to <u>board@hwma.net</u>. Any comments received up until 3:00 pm of the meeting date will be:

- a. Distributed to Board members via email prior to the meeting,
- b. Referenced and attached to the meeting minutes.

Such email comments must identify the agenda item number in the subject line of the email. Comments received will be read into the record by staff, with a maximum

allowance of three minutes (approximately 500 words) per individual comment, subject to the Chair's discretion. If a comment is received after the agenda item is heard, but before the close of the meeting, the comment will still be included as part of the written record of the meeting but will not be read into the record during the meeting.

### 4. TO WATCH OR LISTEN ONLY

The public may view the meeting on one-way video feed on at Access Humboldt's YouTube Channel at www.youtube.com/c/accesshumboldt/live or

Chairperson Matthews requested item 2(f) be pulled from the Consent Calendar. Executive Director Keller-Heckman informed the board that staff had not attached the appropriate documents for item 2(f) to the board packet. Chairperson Matthews directed staff to bring that item forward at the January meeting.

**Motion:** Director Bushnell motioned, and Director Cady seconded, to

approve the items a) through e) of the Consent Calendar as

delivered, and to return in January with item 2(f)

Action: Approve the Motion as made by **Director Bushnell** and seconded

by Director Cady.

**Aves:** Unanimous

Noes: None Absent: None

#### 3. Oral and Written Communications

**Chairperson Matthews** opened the floor to public comment regarding items not on the agenda. No public comment was received.

Chairperson Matthews closed the floor to public comment.

4. Receive proposed timeline and draft Request for Proposal for "Organics Processing Feasibility Study."

**Executive Director Keller-Heckman** gave a presentation detailing the purpose, goals, timeline, and critical pathway for the Organics Processing Feasibility study. The purpose of the RFP is to produce a study that looks at the feasibility of implementing organics processing that will include food waste into current waste management systems in Humboldt County, pursuant to SB1383 regulations.

**Director Castellano** asked if the RFP directs proposers to engage with emerging industries such as Nordic Aquafarms. **Executive Director Keller-Heckman** responded that staff had endeavored to keep the RPF as open as possible, to include all potential solutions for organics processing implementation.

Chairperson Matthews asked if the jurisdictions were behind in SB1383 compliance. Executive Director Keller-Heckman confirmed that while compliance has been delayed, the feasibility study can be placed on jurisdictions' corrective action plans and demonstrate a good faith compliance effort with CalRecycle.

**Director Bushnell** asked about the dates for SB1383 compliance. **Executive Director Keller-Heckman** indicated that compliance dates ranged from 2021 to 2023, and that some of the smaller jurisdictions had obtained waivers for temporary exemption from some requirements of SB1383 compliance.

Chairperson Matthews asked if the RFP directs proposers to scope specific sites in Humboldt County for an organics processing facility. Executive Director Keller-Heckman clarified that the RFP would direct proposers to scope the size and other characteristics of a parcel needed for the type of facility being recommended.

**Director Bushnell** requested more information about the costs of trucking organic waste out of county prior to the completion of an in-county composting facility. **Executive Director Keller-Heckman** reviewed the prior critical pathway for short-term compliance with SB1383, in which an RFP was awarded to Cold Creek Composting in Willits for out-of-county organics processing. Due to a multitude of issues, the jurisdictions have been unable to collect the material thus far. Now it is time to begin the process of developing long-term compliance with an in-county organics processing site.

**Chairperson Matthews** asked how the RFP evaluation committee would be determined. **Executive Director Keller-Heckman** explained that typically the evaluation committee consists of two HWMA staff members and two member agency staff members, but in this case he would also be a member of the evaluation committee.

**Director Jones** asked about the status of non-member jurisdictions, and how they would benefit from the feasibility study. **Executive Director Keller-Heckman** responded that dialogue is ongoing with non-member jurisdictions such as Fortuna and Trinidad. Non-member jurisdictions will be able to bring their organic waste to a future HWMA

organics facility, just as they can bring solid waste to the Hawthorne Street transfer station now.

Chairperson Matthews opened the floor for public comment.

**Evan Edgar** of Edgar & Associates provided comments on his work on the 2022 SB1383 Roadmap and his intention to bid on the RFP for organics processing feasibility study.

**Frank Nelson** of Recology provided comments on community composting solutions and the opportunities that exist for in-county organics processing.

**Director Bushnell** requested that the RFP direct proposers to consider the impact of composting on wildlife.

**Director Castellano** requested that the RFP direct proposers to assess opportunities with emerging and established business, and to identify specific potential sites in Humboldt County. Director Castellano also requested more information about how backyard composting is regulated and its impact on flow control. **Executive Director Keller-Heckman** described the compliance process for households seeking collection waivers for backyard composting. He clarified that the HWMA supports community and backyard composting, even though its cumulative impact on flow control is not known at this time. Most of the organic waste generated will come from businesses like restaurants, which will require integrated collection and management systems.

**Motion:** Director Cady motioned, and Director Jones seconded, to receive

the presentation outlining the proposed timeline and critical pathway for the **Draft Request for Proposal for "Organics Processing Feasibility Study"** as delivered, and direct staff to return with the finalized draft document for review and approval no later than the January 2025 meeting or staff's recommendation.

**Action:** Approve the Motion as made by **Director Cady** and seconded by

**Director Bushnell.** 

**Ayes:** Unanimous

Noes: None Absent: None

#### 5. Standing Item: Board Member Reports

**Director Jones** expressed her gratitude to HWMA staff and board members, indicating that this may be her last meeting as the Blue Lake representative following the recent city council election.

## 6. Standing Item: Executive Director's Report

None received.

#### 7. Adjourn

Chairperson Matthews adjourned the meeting at 6:10 p.m.

### Staff Report

**DATE:** January 2, 2025. For Meeting of: January 9, 2025

**FROM:** Hilary Schwartz, Director of Finance

**SUBJECT**: Item 2b)

Receive September 2024 Financial Reports

**RECOMMENDED ACTION:** Voice Vote

1) Review and Approve September 2024 Financial Reports

#### **DISCUSSION:**

### **Background:**

Each month, staff presents an update on the Authority's financials based on activity to-date for the current month. This enables staff to provide a complete presentation of the full financial activity for that period, as financial data will have been recorded and finalized for the reporting period at that point.

Each year, pending the finalization of the Authority's financial audit, these financial reports are presented as *preliminary* financial reports. Once the audit is finalized and staff closes out the prior year, information presented will represent accurate to-date financial activity and will be marked as such.

The Authority's cash position is comprised of 5 accounts; 1) the Authority's checking account, which handles the day-to-day expenses and holds the Operating Reserve; 2) the Cummings Road Landfill Pledge of Revenue Money Market account; 3) The Capital Improvement Plan Money Market account and 4) The Benefits and Rate Stabilization Money Market account. The combined value of these accounts equals the total cash available for Authority reserves and operating cash. The current value of the Authority operating fund and combined reserve funds as of September 30, 2024, are as follows:

Cash on hand	\$ 1,415,221.73
Operating Reserve	\$ 1,390,452.69
CRL Pledge of Revenue	\$ 101,494.77
Capital Improvement Fund	\$ 1,117,389.72
Benefits and Rate Stabilization Funds	\$ 550,000.00
Long-Term Funding	\$ 92,041.14

#### Authority Financials:

Attachment 2b.1 contains detailed balance sheets for the September 2024 financial reports, for Board review and discussion. An analysis of that information as it relates to revenues and expenses, and current month disbursements to vendors and employees, is provided herein.

### Revenues:

Revenues for September 2024 performed at approximately 2.81% below budgeted estimates for Fiscal Year 2024-25. These estimates encapsulate all activity throughout the Authority, although finances will be influenced by future payouts for fees passed through to Member Agencies, revenue shares for salvaged materials sales, and the delayed receipt of grant revenues for grant-based projects. In September 2024, the strongest revenue categories were Recycling and satellite and self-hauled solid waste.

Staff continues to monitor diversion programs in terms of not only cost, but self-sustaining viability. At present, all divisions are fully funded from self-sustaining revenues or fees passed through from Self-Haul, Franchise, and Satellite Facility tipping fees.

### Expenses:

Total Expenses for September 2024 were approximately 1.43% above budgeted estimates, including some one-time expenses related to depreciation of Authority assets, and quarterly payments to Member Agencies for pass-through payments.

Staff continues to maintain a strong control on ongoing expenses, which have remained about 8% below budget projections during the first quarter of the current fiscal year (2024-2025).

Monthly disbursements to Authority vendors and employees are summarized in Attachment 2b.1 (*Statement of Cash Flow*) for the month of September 2024. These disbursements are comprised primarily of day-to-day costs, representing approximately \$462,414.24 in transportation and disposal costs, \$270,053.31 in payroll and employee benefit costs, and \$212,797.61 in pass-through allocations to member agencies.

#### Staff's Recommendation:

Staff recommends the board review and approve the draft September 2024 Financial Reports.

### Staff Report

**DATE:** January 2, 2025. For Meeting of: January 9, 2025

**FROM:** Hilary Schwartz, Director of Finance

**SUBJECT**: Item 2c)

Receive October 2024 Financial Reports

**RECOMMENDED ACTION:** Voice Vote

1) Review and Approve October 2024 Financial Reports

#### **DISCUSSION:**

### **Background:**

Each month, staff presents an update on the Authority's financials based on activity to-date for the current month. This enables staff to provide a complete presentation of the full financial activity for that period, as financial data will have been recorded and finalized for the reporting period at that point.

Each year, pending the finalization of the Authority's financial audit, these financial reports are presented as *preliminary* financial reports. Once the audit is finalized and staff closes out the prior year, information presented will represent accurate to-date financial activity and will be marked as such.

The Authority's cash position is comprised of 5 accounts; 1) the Authority's checking account, which handles the day-to-day expenses and holds the Operating Reserve; 2) the Cummings Road Landfill Pledge of Revenue Money Market account; 3) The Capital Improvement Plan Money Market account and 4) The Benefits and Rate Stabilization Money Market account. The combined value of these accounts equals the total cash available for Authority reserves and operating cash. The current value of the Authority operating fund and combined reserve funds as of October 31, 2024, are as follows:

Cash on hand	\$ 1,596,933.81
Operating Reserve	\$ 1,401,006.82
CRL Pledge of Revenue	\$ 107,862.53
Capital Improvement Fund	\$ 1,115,939.60
Benefits and Rate Stabilization Funds	\$ 550,000.00
Long-Term Funding	\$ 98,408.61

#### Authority Financials:

Attachment 2c.1 contains detailed balance sheets for the October 2024 financial reports, for Board review and discussion. An analysis of that information as it relates to revenues and expenses, and current month disbursements to vendors and employees, is provided herein.

#### Revenues:

Revenues for October 2024 performed at approximately 0.47% above budget estimates for Fiscal Year 2024-25. These estimates encapsulate all activity throughout the Authority, although finances will be influenced by future payouts for fees passed through to Member Agencies, revenue shares for salvaged materials sales, and the delayed receipt of grant revenues for grant-based projects. In October 2024, all revenue categories were closely aligned with budget projections.

Staff continues to monitor diversion programs in terms of not only cost, but self-sustaining viability. At present, all divisions are fully funded from self-sustaining revenues or fees passed through from Self-Haul, Franchise, and Satellite Facility tipping fees.

### Expenses:

Total Expenses for October 2024 were approximately 10.14% below budgeted estimates, including some one-time expenses related to depreciation of Authority assets, and quarterly payments to Member Agencies for pass-through payments. Merchant fees and recycling disposal fees exceeded budget projections in October 2024, while spending on health insurance and general operating expenses remained below projections.

Staff continues to maintain a strong control on ongoing expenses, which have averaged about 9% below budget projections during the first four months of the current fiscal year (2024-2025).

Monthly disbursements to Authority vendors and employees are summarized in Attachment 2c.1 (*Statement of Cash Flow*) for the month of October 2024. These disbursements are comprised primarily of day-to-day costs, representing approximately \$536,404.99 in transportation and disposal costs, \$235,817.04 in payroll and employee benefit costs, and \$4,641.79 in pass-through allocations to member agencies.

#### Staff's Recommendation:

Staff recommends the board review and approve the draft October 2024 Financial Reports.

### Staff Report

**DATE:** November 7, 2024. For Meeting of: November 14, 2024

**FROM:** Eric Keller-Heckman

**SUBJECT**: Item 2d)

Receive proposed timeline and draft Request for Proposal for "Organics Processing

Feasibility Study".

#### **RECOMMENDED ACTION:** Voice Vote

1) Authorize the Executive Director to execute an Amendment to the current Mattress Recycling Services Agreement after legal review.

### **DISCUSSION:**

#### Background:

The Mattress Recycling Council (MRC) is the mattress recovery and recycling organization certified by the State of California's CalRecycle to implement a mattress recovery and recycling program. HWMA and MRC entered into an agreement in January 2016, and is amended annually to update current best practices and pricing structures.

The California Used Mattress Recovery and Recycling Act of 2013 (SB 254) aims to reduce illegal dumping, increase recycling and substantially reduce public agencies costs for the end-of-use management of used mattresses. In response, the Mattress Recycling Council (MRC) was formed and certified by CalRecycle for the purpose of planning and implementing the collection and recycling of used mattresses deemed 'conforming' at State approved recycling facilities.

CalRecycle required that MRC develop a recycling plan that, among other things, provides for MRC to pay an amount to collection facility that accepts used mattresses dropped off by California residents *at no charge* at approved collection facilities. MRC then reimburses the collection facility at a fee rate that is reasonable for the facility to accept, store, and handle such used mattresses.

Once received at a collection facility, mattresses and/or box foundations (units), will be evaluated for conformance with MRC program guidelines. Those units deemed 'non-conforming' as a result of mold, insect infestation, or other objectionable substances are to be directed to landfills for disposal. Those units deemed 'conforming' will be diverted immediately from the tip floor, and placed into trailers for storage and transportation via an MRC-approved transporter.

### **Staff's Recommendation:**

Staff recommends the board Authorize the Executive Director to execute an amendment to the current Mattress Recycling Services Agreement after legal review.

### **FISCAL IMPACTS:**

Minimal impacts related to the generation of this staff report and time attributed to general council review. Should the board not move forward with an amendment staff would need to return with potential financial impacts.

### **ALTERNATIVES:**

1) Board Discretion

### **ATTACHMENTS:**

None

### Staff Report

**DATE:** January 5, 2025 For Meeting Of: January 9, 2025

**FROM:** Eric Keller-Heckman, Executive Director

**SUBJECT**: Item 4)

Approve Purchase of Transfer Station Scale

#### **RECOMMENDED ACTION:** Voice Vote

1) Award Bid to Quality Scales Unlimited for the purchase of Transfer Station Scale

2) Authorize Executive Director to execute necessary agreements, following review by General Counsel.

#### **DISCUSSION:**

### **Background:**

At the November 14, 2024 meeting, the Board approved the "Request for Bids for the Hawthorne Street Transfer Station Scale Replacement Project" and authorized the release of the Request for Bids with a closing date of December 31, 2024 at 3pm. Two bids were received and evaluated. Staff recommends awarding the bid to Quality Scales Unlimited as the lowest responsible bid.

The equipment proposed to be replaced is the current in ground pit scale which is a critical piece of infrastructure that has been in daily operation for over 15 years, and has begun to show significant wear and tear.

2 bids were submitted, with only one bid being deemed responsive to the bid request.

These included:

Proposer	<u>Price</u>
Quality Scales Unlimited	\$ 219,968.00
G.T. Michelli Co (non-responsive)	\$ 130,087.44

### **Staff's Recommendation:**

Staff recommends the board award Quality Scales Unlimited the successful bidder for the purchase of the Hawthorne Street Transfer Station Scale Replacement Project; and authorize the Executive Director to execute necessary agreements following General Council review.

#### **FISCAL IMPACT:**

The approved HWMA Capital Improvement Plan outlines \$ 145,000 in related expenditures for this purchase, which is short of the necessary funding. Staff has determined acceptable items that can be delayed from the current capital improvement plan, and that excess funding utilized to cover the short fall for this project. Staff will present this at the mid-year budget review.

### **ALTERNATIVES:**

1. Alternatively, the Board could direct staff to continue to use the existing equipment; this is not recommended due to the equipment age and current wear and tear on the pit scale.

**DATE:** December 12, 2024 For Meeting of: January 9, 2025

**FROM:** Eric Keller-Heckman

**SUBJECT**: Item 5)

Ratify Emergency Purchase (Suppression System)

#### **RECOMMENDED ACTION:** Voice vote

1) Ratify emergency purchase with Advanced Security Systems in the amount of \$23,612.35 at 1059 W Hawthorne St as approved by Executive Director.

#### **DISCUSSION:**

### **Background:**

In late October the current Hawthorne street transfer station suppression system observed a catastrophic failure in relation to its flow sensor system. This resulted in numerous false alarm triggers and an inability for the system to function properly in the event of an actual fire.

Advanced Security Systems, the current alarm provider for the Authority, was quick to diagnose the problem and was able to repair and replace critical suppression system infrastructure within 15 days of the first trouble alarm.

The Authority has experienced a significant uptick in fires related to improperly disposed items over the last year, making the current suppression system a vital part of the daily operations of the transfer station.

Per HWMA policy 4040 and the approved purchasing policy guidelines, purchases in excess of \$20,000 are subject to bid requirements and board approval unless required due to emergency instances or are previously approved public works projects. Due to the nature of the suppression system, and the need to for immediate repairs to maintain the health and safety of staff and authority operations and property

#### Staff's Recommendation:

Staff recommends the Board approve and ratify the Executive Directors approval of an emergency purchase in the amount of \$23,612.35

#### **FISCAL IMPACTS:**

While this unexpected cost was not budgeted for in the fiscal year 2024-25 budget, staff believes sufficient funding can be found in the current budget. Should there need to be an adjustment, staf will present that at the upcoming mid-year budget update.
